Graduate students, join us for a conversation with current Brown postdocs volunteering their experiences, tips and suggestions. Come with the questions you’ve always wanted to ask...

What were your considerations for doing a postdoc?
What do you look for in a mentor, and how do you find one?
What do you wish you knew then that you know now?

Meet the Panelists

BioMed

Havovi Chichger  
*Department of Medicine*

Jacquelyn Gill  
*Environmental Change Initiative*

Jordan Renna  
*Department of Neuroscience*
