Brown University
Providence, RI

- Small group discussions focused on reading strategies, seminar culture, and common academic approaches to help your transition to higher education
- Study of novels and memoirs from a range of conflicts to explore the unique challenges of irregular warfare
- Year-round programs to foster a strong network of veteran students in Rhode Island
- All students beginning or transferring to a new school in Rhode Island are welcome
- Designed for veterans with varying experience levels and planned majors

There is no cost to participate in this program, and funding is available to help students defray costs (transportation, child care, etc.). Breakfast and lunch are provided.
